TROPHY RECORDS

THE PRESIDENTS' MEDAL

- The medal was donated to the club by the President of GNAS in 2011. The medal was offered by G.N.A.S. to the first 150 clubs to apply. It was up to the club to decide how they would award the medal.

-The medal was initially awarded by the club to a member of Jolly Archers who, in the view of the committee, had contributed significantly to the club. It did not need to be awarded annually. The first recipient in 2011 was Den Smith for his contribution to the club over 50 years. The medal was returned to the club after his death.

-In 2015 it was decided to change the award to the best handicap improvement over the indoor season
