*** Formal entry required for the shoot

BH Bank holiday weekend

Rounds in red are Trophy Shoots

The number of arrows shot is shown for the first round of its type specified in the calendar. Please refer to the Archery GB Rules of Shooting for Round distances and variation of Round names. It's not as confusing as it may seem

JOLLY ARCHERS OF HOUGHTON & WYTON

2019 OUTDOOR SEASON

Archery in Jolly Archers is governed by the Archery GB Rules of Shooting. In addition we have Jollys Rules which include sections on Shooting, and Safety.

All members should make themselves familiar with these rules to ensure we shoot in an enjoyable and safe environment

1. The field is available for archery by established members almost every day.
2. If you wish to shoot a scoring round the detailed requirements are shown in Jollys Archers Rules-Shooting, Rules15-18.
3. Some popular times

Weekday Mornings

When the weather is decent there will normally be members shooting during the morning

Wednesday Evening

The evening is for general shooting. Some archers get together to shoot a round, some to practice, some shoot for fun and some just come along for a natter! The committee will try to ensure that the container will be open from 5.30pm to at least 7.30pm. Distances are generally limited to 60 yards to ensure all archers are not inconvenienced. If a longer distance is shot archers should not delay others.

Thursday Morning

Another session for general shooting that has proved popular.

Saturday Morning

The morning is for general shooting. Some get together to shoot a round, some practice, some shoot for fun and some just come along for a natter!

Coaching, Beginners' Courses, and Have-a-Go's will be conducted independently on the Coaching Range (Roped off).

The committee will ensure that the container will be open from 10.00am to at least 12.30pm for those without keys. Distances are generally restricted to 60 yards to ensure all archers are not inconvenienced. If a longer distance is shot archers should not delay others.

Sunday-Designated Shooting calendar/Trophy Shoots

To allow archers the opportunity to shoot rounds in the best possible conditions there is a shooting calendar giving a defined start time and the rounds to be shot on Sunday during the outdoor season. Other rounds can be shot but the start time is the same for all rounds.

Latecomers may be able to join in with a round that has already commenced provided that there is space on a boss that has already been set up and that the archers on that target are willing for that archer to join them.
