CLUB CHAMPIONSHIPS

THERMOPAC TROPHY

- The club purchased the trophy in 1980 with a sum donated by the Thermopac Company. The club was asked to provide archery tuition for an inter-firm sports challenge day with Thermopac, then based in Huntingdon, as the hosts at the Pike and Eel, Needingworth. In its first year the cup was a challenge trophy, hence the engraving, but it was subsequently decided to compete for it at the Club Championships.
- Awarded to a gentleman shooting a Recurve bow for a York round or longest round shot on the day, at the Club Championships

METRIC TROPHY SHOOT TI CLOSE CHALLENGE CUP

- Originally the trophy was the Bill Griggs Cup which was for the WA1440 round
- This was replaced in 2019 by the TI Close Challenge Cup which had been awarded to the best Western round shot by a gentleman over the summer season. The cup was donated in 1964 by Mr Illott, the owner of Robbs Sports House, the St Ives sports shop from whom Jollys first purchased target biosses
- Awarded to the gentleman shooting a Recurve bow for the highest scoring round at the Metric Trophy Shoot. The round shot was changed in 2018 to a WA900 to encourage greater participation.

METRIC TROPHY SHOOT DEANS FARM SHIELD

- After the success of the event that resulted in the presentation of the Thermopac Cup, the company, though no longer based in Huntingdon, asked for a similar event some years later. Thermopac presented the shield on this occasion in the name of their customer, and friendly rivals on the day, Deans Farm Eggs. The shield was replaced in 1999 after the original had been lost.
- Awarded to the highest score by a lady shooting a Recurve bow for a FITA round at the Metric Trophy Shoot. The round shot was changed in 2018 to a WA900 to encourage greater participation.

GNAS IMPROVEMENT MEDAL

- The medal is not the property of the Jolly Archers, but is awarded by the club on behalf of GNAS. It is the secretary's responsibility (and a condition of the loan) to inform GNAS of the recipient each year in order that the name shall appear in "Archery UK". The medal was first presented in 1968. The original medal was replaced in 1998 because the ribbon had worn out. Awarded to the archer whose handicap improves most over the outdoor season.

HAIGH CHALLICE

- Mr Haigh was an alderman of the town of St Ives who was invited to present a trophy to the club in 1968. He generously agreed to do so, and attended the 1968 AGM to make the presentation to the first winner, Mrs Joan Smith. The alderman set the seal on the occasion by providing a bottle of champagne from which the chalice was filled. All those present enjoyed a sip. Club member Den Smith made the oak plinths.
- Awarded to the lady Recurve archer shooting the highest scoring Western round.
